Incasso doccia a doppia uscita esterno senza deviatore estremamente innovativo e molto facile da utilizzare.
 Con un semplice movimento rotatorio della leva si passa velocemente dal soffione alla doccetta e viceversa. La cartuccia a dischi ceramici utilizzata è del tipo a "risparmio energetico" infatti, nelle prime fasi dell'utilizzo del soffione o della doccetta, l'acqua calda non viene utilizzata.
A highly innovative and user friendly built-in shower mixer with two outlets without diverter. By simply rotating the lever water swiftly goes from the showerhead to the handspray and back to the showerhead. Fitted with a water saving ceramic disc cartridge it does not make use of hot water in the early stage of activation of the showerhead and the handspray.

Incasso doccia a doppia uscita esterno senza deviatore estremamente innovativo e molto facile da utilizzare. Con un semplice movimento rotatorio della leva si passa velocemente dal soffione alla doccetta e viceversa. La cartuccia a dischi ceramici utilizzata è del tipo a "risparmio energetico" infatti, nelle prime fasi dell'utilizzo del soffione o della doccetta, l'acqua calda non viene utilizzata.

A highly innovative and user friendly built-in shower mixer with two outlets without diverter. By simply rotating the lever water swiftly goes from the showerhead to the handspray and back to the showerhead. Fitted with a water saving ceramic disc cartridge it does not make use of hot water in the early stage of activation of the showerhead and the handspray.

SISTEMA DI FISSAGGIO BREVETTATO

Questo sistema unisce due grandi benefici: la riduzione del 66% del tempo di installazione e l'assenza di viti di tiraggio nella parte estetica del prodotto. Il soffione si installa ricavando una semplice sede nel controsoffitto, il sistema Spring-Fix® permette poi l'installazione in qualche minuto soltanto senza bisogno di utensili.

PATENTED SYSTEM

This system combines two great benefits: a reduction by 66% of the installation time and no needs for screws on the aesthetic part of the rainshower. The product is installed by simply creating a sitting site in the false ceiling and the Spring-Fix® system will allow for a installation in a few minutes with no tools.

CONDIZIONI DI VENDITA

- 1) Con il conferimento dell'ordine il cliente accetta pienamente e tacitamente tutte le nostre condizioni di vendita e di consegna sottostanti.
- 2) I prezzi si intendono per merce resa franco nostro stabilimento di Gozzano. I prezzi dei nostri listini sono soggetti a variazioni e non sono impegnativi. Ogni ordine comunque conferito potrà essere ritenuto valido solo se da noi accettato.
- 3) I termini di pagamento specificati in fattura si intendono tassativi: ogni variazione, che non sia stata preventivamente ed espressamente pattuita, verrà respinta. Sono liberatori solo i pagamenti delle fatture eseguiti al nostro domicilio in Gozzano, salvo accordi speciali di pagamenti a termine. Il ritardato pagamento delle forniture darà luogo all'addebito degli interessi bancari. Al verificarsi di pagamenti non eseguiti nei termini convenuti è nostra facoltà sospendere le consegne e gli eventuali ordini già accettati. Si precisa che nessun pagamento potrà essere differito in caso di contestazione. Eventuali aggiunte o modifiche effettuate dal cliente su ordini da lui trasmessi saranno prive di validità se non comunicate in forma scritta.
- 4) I tempi di consegna si intendono approssimativi e non impegnativi essendo essi vincolati alle possibilità del momento. La mancata osservanza da parte nostra dei termini di consegna indicati, non dà diritto al cliente di annullare l'ordine, differire pagamenti o reclamare indennizzi, compensi, penali o danni di sorta. Quanto sopra vale anche nei casi in cui la mancata osservanza dei termini di consegna è conseguente a carenza di materie prime, avarie del macchinario, scioperi, serrate, epidemie, interruzione o ritardi nei trasporti.
- 5) Consegna merci: la Rubinetteria Keller Taps si impegna a far ritirare la merce o al vettore di sua fiducia o al vettore indicato dal compratore, per il trasporto alla destinazione indicata dal compratore stesso. In ogni caso, anche quando le spese di trasporto faranno carico alla Rubinetteria Keller Taps, la merce si intende consegnata al compratore nel luogo di consegna al vettore designato. Dalla rimessa della merce al vettore per il trasporto, il venditore è liberato da ogni rischio e responsabilità relativamente ad essa.
- 6) La merce viaggia a rischio e pericolo del committente anche se la spedizione è effettuata in porto franco, l'Azienda declina ogni responsabilità per ritardi, guasti, avarie, rotture, ammacchi che si verificassero durante il trasporto. Spetta al committente presentare eventuali reclami al trasportatore, anche se questo è stato scelto dalla Keller Taps. La Keller Taps si riserva la facoltà di addebitare al Cliente gli oneri aggiuntivi al puro costo di trasporto (es. soste, operazioni di scarico particolari, ecc.) eventualmente corrisposti al vettore.
- 7) Tutti i nostri articoli sono accuratamente provati e controllati. La nostra responsabilità sulla qualità del materiale si limita, previa nostra autorizzazione, ad accettare il reso, in porto franco, di prezzi riscontrati difettosi per disporre la sostituzione, senza essere tenuti a corrispondere alcun indennizzo. Non possiamo inoltre accettare alcuna responsabilità ove i materiali da noi forniti risultassero manomessi. Si esclude qualsiasi tipo di risarcimento per danni diretti o indiretti causati dalla posa in opera di materiale difettoso. È fatto assoluto divieto agli acquirenti di effettuare qualsiasi lavorazione ulteriore sui prodotti di nostra produzione. Non riceveremo merce in restituzione se non sarà da noi autorizzato o non sarà inviata con nostro corriere convenzionale.
- 8) Le illustrazioni dei nostri cataloghi e depliant hanno lo scopo di dimostrare e rappresentare i singoli articoli e non costituiscono quindi obbligo di fedele esecuzione. I dettagli, le misure ed i pesi indicati sono da considerarsi approssimativi. Pertanto non ci assumiamo alcuna responsabilità in ordine a quanto sopra e conseguentemente non riconosceremo richieste per danni di qualsiasi specie.
- 9) Per qualsiasi contestazione è sempre e solo competente il foro di Novara (Italia), anche se gli ordini siano rimessi altrove. Non hanno alcun valore e non vengono da noi riconosciute dichiarazioni, impegnative o garanzie di sorta assunte da nostri dipendenti, agenti o rappresentanti, che non risultano dalle presenti condizioni generali di vendita o da atti ufficialmente sottoscritti dalla Società.
- 10) Riserva di proprietà. La merce consegnata rimane di riservato dominio della fornitrice fino all'avvenuto pagamento.

GENERAL TERMS OF SALE

- 1) Passing the order, the Customer fully and tacitly accepts all the below mentioned sale and delivery terms.
- 2) Prices are quoted Ex Works. Prices are subject to change and are binding only on the Customer. Every order is valid only after our acceptance.
- 3) Payment terms in the Invoice are peremptory. Every change that is not previously and expressly agreed will be refused. Payments of Invoice made in our Registered Office are in settlement, apart special agreements for payments on expired date. The delayed payment causes the debit of bank interest. In case of payment effected not in the agreed terms, Keller Taps reserves to stop the delivery and the already accepted orders. Payment cannot be postponed in case of claim. Eventual variations or additions are accepted only if the notice is written.
- 4) Delivery time is approximate and not binding since it depends on the possibility at the moment. Our non observance of the delivery time does not entitle the Customer to cancel the order, to postpone payments, to claim damage and compensation. The above mentioned is also valid in case of lack of raw materials, strikes, damages in the machines, epidemics, stop or delay in trasport.
- 5) Rubinetterie Keller Taps undertakes to have the goods picked up either by its trusted carrier or by the carrier indicated by the buyer, for transportation to the destination indicated by the buyer. In any case, even when the transport expenses are borne by Rubinetterie Keller Taps, the goods are understood as delivered to the buyer in the place of delivery indicated to the carrier. Starting from the moment when the goods are given to the carrier for the transportation, the seller is free from any risk and responsibility relating to the shipment of the goods themselves.
- 6) Delivery: Goods are carried at the customer's risk even if shipped free place of destination. We disclaim any responsibility for delays, damages, breakdowns occurred during the transport. The Customer presents possible claims to the carrier, even if it was chosen by Keller Taps. Keller Taps reserves to charge additional costs to the Customer at the pure cost of transport eventually due to the carrier.
- 7) All our products are carefully tested. With reference to the quality of materials, our responsibility is limited to accept the return of goods, upon written authorisation, free collect, for examination. We are not obliged to allow any damages. We cannot accept any responsibility if the materials result to be tampered. We exclude any claim for direct or indirect damages caused by installation of defect materials. It is strictly forbidden to effect any further processing on our products. We do not receive goods on return if they are not authorised and if they are not
- 8) The illustration in our catalogues and brochures show and represent the single articles. We are not obliged to produce them faithfully. The details, sizes and weights are approximate. We decline all responsibility for the above and we do not accept any claims for damages.
- 9) Any controversy will always be within the competence of the Court of Novara (Italy), even if the orders are accepted anywhere. Any statement or warranty not included in this agreement and made by our agents, representatives and workers are no worth and are not recognised by our Company.
- 10) Reserve of property. The delivered goods are property of the supplier until payment is effected.
