Estetica e funzionalità sono i punti di forza dei progetti BLUM e PLAY di Ceramiche Arcadia. La piletta con tappo in ceramica Flat e la ghiera del troppopieno, sempre in ceramica, rappresentano una novità nell'arredobagno. Offrono, infatti, una inedita uniformità e armonia nel bagno coordinandosi perfettamente alla smaltatura dei sanitari in ceramica. La piletta a filo vasca si allinea perfettamente e completamente al bacino del bidet, garantendo una perfetta tenuta e un utilizzo ottimale in termini di capienza. Un dettaglio elegante e innovativo che non passerà inosservato.

Aesthetics and functionality are the strengths of Ceramiche Arcadia bathroom designs. The drain plug called Flat and the overflow ring with a ceramic cover are the latest in ceramic plumbing fixtures. They offer unprecedented uniformity and harmony in the bathroom, as they perfectly match with the glaze of the sanitary ware. In the open position, the drain plug forms a single level with the bottom of the bidet, guaranteeing a perfect seal and optimal use of space. An elegant and innovative detail that will not go unnoticed.

6.1 Salvo diverso accordo scritto, la consegna delle merci viene effettuata FCA presso i locali del Venditore ai sensi degli Incoterms rev.2010 della Camera di Commercio Internazionale. Sono ammesse consegne parziali.

6.2 Se il Venditore si impegna a seguire la spedizione dei prodotti egli agisce in qualità di mandatario autorizzato dall' Acquirente e, in tal caso, l'Acquirente si assume per intero i rischi ed i costi relativi al trasporto.

6.3 L'Acquirente, tenendo indenne il Venditore, si fa carico di ogni rischio e spesa relativa alla conformità dei prodotti ad ogni normativa applicabile riguardante le caratteristiche degli imballi ed il loro smaltimento.

6.4 A meno che il Contratto non preveda una specifica data di consegna, il Venditore consegna la merce entro 30 giorni dalla data di entrata in vigore di ogni Contratto. In ogni caso, il Venditore ha diritto ad un periodo di tolleranza di 15 giorni dalla scadenza della data di consegna prevista dal relativo Contratto (cd "termine di grazia").

Si conviene che in nessun caso il Venditore sarà responsabile nei confronti dell'Acquirente per perdita di produzione, perdita di profitto, perdita d'uso, perdita di contratti o per perdita consequenziale, economica o indiretta derivante dalla ritardata consegna.

6.5 Per ciascuna consegna di prodotti destinata all'estero l'Acquirente si impegna a fornire al Venditore i relativi documenti (inclusi i documenti doganali) comprovanti l'uscita dal territorio italiano della merce o un'equivalente dichiarazione di ricevimento della merce resa del destinatario finale della merce.

7. Responsabilità per prodotti difettosi

7.1 Il Venditore s'impegna a porre rimedio a qualsiasi non conformità ("difetto") dei prodotti per i quali è responsabile, che si verifichi entro due anni a partire dalla data di spedizione dei prodotti, purchè sia stato prontamente portato a conoscenza del difetto entro 2 mesi.

7.2. In questo caso il Venditore sostituirà i prodotti(o parti dei prodotti, se applicabile) che risultino essere difettosi. In alternativa alla sostituzione, il Venditore avrà la facoltà, a sua assoluta ed esclusiva discrezione, di rimborsare il prezzo dei prodotti difettosi nel caso in cui questo prezzo sia già stato pagato dall' Acquirente al Venditore o, se tale prezzo non è ancora stato pagato, di liberare l'Acquirente dall'obbligazione di pagare lo stesso mediante l'emissione di una nota di credito in favore dell'Acquirente pari all'ammontare di tale prezzo. Questa garanzia (i.e. l'obbligo di sostituire i prodotti difettosi o rimborsarne il prezzo) sostituisce qualsiasi altra garanzia legale o responsabilità prevista dalla legge. Si conviene di conseguenza che, fatto salvo il caso di dolo o colpa grave del Venditore, qualsiasi altra responsabilità del Venditore (sia contrattuale sia extra-contrattuale) che possa sorgere dai prodotti forniti e/o dalla loro rivendita (per esempio risarcimento dei danni, perdita di profitto, ecc.) è espressamente esclusa.

7.3 Eventuali reclami relativi allo stato dell'imballo, quantità o caratteristiche esteriori dei Prodotti (vizi apparenti), dovranno essere notificati al Venditore per iscritto entro 15 giorni dal ricevimento dei prodotti; in assenza di notifica entro questo termine, l'Acquirente decadrà dal diritto di reclamare i difetti. Qualsiasi reclamo relativo ai difetti che non può essere scoperto mediante una diligente ispezione al momento del ricevimento (vizi occulti) dovrà essere notificato al Venditore per iscritto entro 15 giorni dalla scoperta

del difetto; in assenza di notifica entro questo termine, l'Acquirente decadrà dal diritto di reclamare i difetti.

L'avviso deve indicare con precisione il difetto ed i Prodotti cui si riferisce.

7.3 Con riguardo a possibili azioni dei consumatori che comportino l'applicazione della normativa italiana che recepisce la direttiva Europea 1999/44/CE del 25 maggio 1999 su taluni aspetti della vendita di beni di consumo e garanzie associate, l'Acquirente conviene di sostenere esclusivamente a proprio carico la responsabilità per ogni obblgazione derivante da tali situazioni. Conseguentemente, le parti convengono espressamente di escludere ogni diritto di regresso da parte dell'Acquirente nei confronti del Venditore basata sulla suddetta normativa e l'Acquirente Compratore si impegna a manlevare e tenere indenne il Venditore da ogni relativa azione.

8. Azioni per responsabilità da prodotto

8.1 Fatta eccezione per i casi di dolo o colpa grave l'Acquirente accetta di indennizzare e manlevare il Venditore da ogni azione per responsabilità da prodotto relativa ai prodotti e si impegna ad assicurarsi adeguatamente contro tali rischi tramite una polizza assicurativa che copra in maniera adeguata tali rischi.

9. Forza maggiore - Eccessiva onerosità

9.1 Il Venditore non sarà responsabile per il mancato adempimento dei propri obblighi previsti da qualsiasi Contratto per cause di forza maggiore.

A seguito della comunicazione all'Acquirente da parte del Venditore di tale causa, al Venditore sarà concessa una proroga ragionevole dei termini per adempiere. Ai fini di tale clausola, Forza Maggiore significa incendio, esplosione, fulmini, disastro naturale, atto terroristico, guerra, rivoluzione, sommossa, insurrezione, sciopero ufficiale o simili questioni sindacali, o eventi o circostanze al di fuori del ragionevole controllo della parte interessata.

Nel caso in cui la situazione di forza maggiore do vesse continuare per più di 180 giorni di calendario, ciascuna parte avrà diritto a risolvere il Contratto interessato dalla causa di forza maggiore mediante comunicazione scritta all'altra parte, da inviarsi tramite lettera raccomandata con ricevuta di ritorno, rimanendo in ogni caso escluso ogni diritto al risarcimento danni.

9.2 Nel caso in cui l'adempimento degli impegni del Venditore divenga eccessivamente oneroso rispetto alle obbligazioni contrattuali originariamente pattuite nel relativo Contratto, in maniera tale da modificare i costi del Venditore di oltre 10%, il Venditore ha la facoltà di richiedere una revisione delle condizioni contrattuali e, in mancanza di accordo su tale revisione, di risolvere qualsiasi Contratto senza responsabilità alcuna.

10. Legge applicabile - Risoluzione controversie

10.1 Tutti i contratti di vendita conclusi dalle parti sono regolati dalle presenti Condizioni e, nella misura in cui talune questioni non siano trattate da tali Condizioni, dalla legge italiana.

10.2 In caso di controversie, il foro di Torino (Italia) avrà giurisdizione esclusiva.

Ai sensi degli articoli 1341 e 1342 del Codice Civile italiano, accetto ed approvo le clausole previste dagli articoli: 2.1 (ordini), 3.1 (specifiche), 3.2 (esclusione altre specifiche), 4.2 (condizioni di pagamento), 4.3 (pagamento ad agenti o rappresentanti) 4.5 (sospensione dell'esecuzione), 4.6 (richiesta di pagamento anticipato), 5.1 Riserva di proprietà, 6.1 consegne parziali, 6.2 (Venditore come mandatario per la spedizione), 6.3 (termine di grazia),6.5 (omissione di presa in consegna e conseguenze), 7.1 (garanzia), 7.2 (termine di decadenza per la notifica dei difetti), 7.3 (esclusione azione di regresso), 8.1 (azioni per responsabilità da prodotto ed esclusione responsabilità del Venditore), 9.1 (forza maggiore) e 9.2 (eccessiva onerosità sopravvenuta) e 10.2 (risoluzione delle controversie).

10.3 Tuttavia, a titolo di eccezione alla disposizione dell'art.10.2, il Venditore avrà facoltà di agire in giudizio davanti al foro del luogo ove ha sede l'Acquirente.

4.2 Any payment made to agents, representatives, or commercial intermediaries of the Seller shall not be deemed to have been carried out until the relevant sums are collected by the Seller.

5. Reservation of title

5.1 Title to the products comprised in each consignment shall not pass to the Purchaser until the Purchaser has paid their price to the Seller, but even though title has not passed the Seller shall be entitled to sue for their price once its payment has become due. 7.2. In such case the Seller will replace the products (or parts of the products, if applicable) which result to be defective. Alternatively to such replacement, the Seller shall be entitled, at his exclusive absolute discretion, to refund the price of the defective products in the event that such price shall already have been paid by the Purchaser to the Seller or, if such price has not been so paid, to relieve the Purchaser of all obligation to pay the same by the issue a credit note in favour of the Purchaser in the amount of such price. This warranty (i.e. the obligation to replace the defective products or to refund their price) replaces any other legal guarantee or liability provided by law. It is consequently agreed that, except in case of fraud or gross negligence of the Seller, any other Seller's liability (both contractual or extra contractual) which may arise from the products supplied and/or their resale (e.g. compensation of damages, loss of profit, etc.) is expressly excluded.

Any complaints relating to defects which cannot be discovered on the basis of a careful inspection upon receipt (hidden defects) must be notified to the Seller in writing within 15 days from discovery of the defect; failing such notification within such term the Purchaser's right to claim the above defects will be forfeited. The notice must indicate precisely the defect and the Products to which it refers.

For the purpose of this clause Force Majeure means fire, explosion, flood, lightning, Act of God, act of terrorism, war, rebellion, riot, sabotage, or official strike or similar labour dispute, or event or circumstances outside the reasonable control of the party affected thereby. Should however the situation of Force Majeure continue for more than 180 calendar days, each Party shall have the right to terminate any Contract afflicted by Force Majeure by giving written notice thereof to the other Party by registered letter with return receipt, any right for damages being excluded.

9.2 Should the fulfilment of the Seller's commitments have become excessively onerous compared with the contractual obligations originally agreed upon under the relevant Contract, such as to modify the Seller's costs by over 10%, the Seller shall have the right to request a revision of the Contract's conditions and, failing an agreement, on such revision, to terminate any Contract without whatsoever responsibility any right for damages being excluded.

10. Governing law

10.1 All the sale Contracts concluded by parties shall be governed by the present Conditions and, to the extent that such questions are not covered by the present conditions, by United Nations Convention on Contracts for the International Sale of Goods (Vienna Convention of 1980, hereafter referred to as «CISG»), and, to the extent that such questions are not covered by CISG, by Italian law.
